The Franklin County Commissioners attended the Franklin County Budget Advisory Committee. A discussion was held with respect to the language in the statute regarding: "The Franklin County Commissioners shall submit itemized finance estimates in the form of a budget to the advisory committee no later than 60 days before the end of the county's fiscal year." Commissioner Fowler requested clarification on whether it had to be the Commissioners recommended budget or an itemized budget presented to the Budget Committee no later than 60 days. During that meeting the following motion was made, **Motion to authorize the Administrator to ask the county attorney for a legal opinion of the language stated in MRSA 30-A, Article 9 § 874, specifically whether it had to be the Commissioners recommended budget or just an itemized budget presented to the Budget Committee no later than 60 days before the end of the county's fiscal year: Tom Saviello/Fen Fowler (4/0).**

ADJOURNMENT: Commissioner Saviello Motion to adjourn the meeting.
